

April 2016 – Department Update

- Zoning – Issued 2 new permits this month. One for a temporary construction trailer at the Flat Ridge 2 Site and one for a new agricultural building. Planning Commission meeting is scheduled for tomorrow to review comprehensive plan and elect officers. Working with two developers on prospective projects around the county.
- Environmental – Researched one violation, sent educational materials to property owner on how to remedy flooded basement. Bids for SCLEPG surplus equipment are due April 21st. Will then dispose of any remaining items.
- Mapping – 2016 Ownership books have returned from the printer. Can be purchased in mapping office for \$20.00. Developed map to be used in Road and Bridge, created plat maps for Title Company of all subdivisions. The mobile website has been working great and a lot of positive feedback. Maps are updated weekly. Trying to locate utility maps to be used in dispatch new CAD system.
