

RESOLUTION 2016 - _____

The Board of County Commissioners, Harper County, Kansas, being in regular session this 31st Day of May, 2016, and considering the matter of traffic control at the intersection of County Road NW 90 Rd and NW 90 Ave;

WHEREAS, a traffic study conducted by the designated county engineer revealed there exists a hazardous intersection for cross traffic due to terrain and vegetation concerns causing North and Southbound drivers on NW 90 Ave approaching NW 90 Rd the inability to see Westbound traffic on NW 90 Rd.

AND WHEREAS, there exists no form of traffic control at the aforesaid intersection.

NOW THEREFORE BE IT RESOLVED, after careful consideration and deliberation on the matter as above set forth, that the North and Southbound traffic on NW 90 Ave be required to yield to East or Westbound traffic on NW 90 Rd and that proper yield signs be erected accordingly in conformance with the Manual on Uniform Traffic Control Devices by the Harper County Road and Bridge Department.

IT IS SO ORDERED AND RESOLVED.

Harper County Board of County Commissioners

Carla Pence, Chairman

ATTEST:

Lee Adams, Commissioner

Ruth Elliott, County Clerk

Brian Waldschmidt, Commissioner
