Subject: Update on export plan funding

Dear Regional Export Team,

A big thank you to all of the 2016 export plan funding partners.

- This morning, Sedgwick County commissioners unanimously approved \$40,000 for 2016 export plan implementation. Members of our Sedgwick county made public comments regarding the importance of continued export services; thank you to Ronnie Leonard per from Balco Inc., Patty Koehler from JR Custom Metal Products and John Trowbridge from Sunflower Bank. Thank you also to Gary Plummer of the Wichita Chamber for sending in notes in support of continued funding. Thank you!!
- *Butler*, Harper, McPherson, and Sumner counties have renewed their funding support for the export plan and continue to be deeply involved. In addition, MAMTC and Network Kansas have renewed funding commitments, used for ExporTech and Export Opportunity Evaluation reports, respectively. Marion and Cowley counties were not able to renew.

Thank you for all you do to support exports in the region through your actions, funding and collaboration. If we can help in your community by assisting a company or providing a briefing or seminar, just let us know.

All my best to each of you.
