

APPENDIX

TABLE OF COMPARABILITY FOR ZONING DISTRICTS

In accordance with provisions provided for in K.S.A. 12-757(b) and in Section 11-100E6 of the Zoning Regulations of Harper County, Kansas, the Harper County Planning Board hereby establishes a “Table of Comparability for Zoning Districts” as listed below. This table designates the zoning districts which are considered to be “lesser changes” due to their more restrictive characteristics as set forth in the Zoning Regulations.

When considering zoning district amendments, the Planning Board and the Governing Body may recommend and approve a lesser change in zoning districts for the property already advertised for a public hearing without republication of a notice or redistribution of notices to property owners when such change is more restrictive than the district which is applied for as shown on the table below; provided, however, that such recommendation and approval shall not be for a lesser classification than the existing zoning district. If the applicant at the Governing Body meeting at which a zoning amendment is being considered desires to amend the application and/or the Governing Body desires to consider a “lesser” zoning change, then such a proposed change shall be returned to the Planning Board for reconsideration and further recommendation to the Governing Body without further publication or notice as provided for in K.S.A. 12-757(c) and in Section 11-104 of the Zoning Regulations.

MOST RESTRICTIVE:	A-1 Agricultural District
	A-2 Agricultural District
	A-3 Agricultural District
	RR-1 Single Family Rural Residential District
	B-1 General Business District
	I-1 Light Industrial District
LEAST RESTRICTIVE:	I-2 Heavy Industrial District

Because of the uniqueness and special purpose for which the V-1 Village District and the floodplain overlay regulations serve, these districts are excluded from the Table of Comparability.

Although the notification for a “Special Use” is processed in the same manner as a zoning district amendment, it is not an actual change in zoning districts and, therefore the Table of Comparability does not apply and reapplication is necessary for consideration of a different “use” even if in the same zone. Part of the property considered for a Special use, however, may be withdrawn by the applicant or a lesser amount recommended for approval without renotification.

EXAMPLE: If an application is advertised for a public hearing requesting a change from A-1 Agricultural District to I-1 Industrial District, the Planning Board may recommend the lesser, i.e., more restrictive B-1 General Business District without republication or mailing of new notices.
