Good afternoon, Sherry and Mary,

Thank you so much for hosting us on December 12, 2019! It was great to meet and spend time with you and your staff. This email is to give you the next steps in the site visit process. Angela and I will compose a **Site Visit findings letter** (in 60 business days (excluding holidays) which brings us to **March 10, 2020**. You will receive your letter by or before that day. You will then have 60 days to respond to the letter. Your response will need to address each of the mentioned items in the letter. You can accompany the letter with documentation of items addressed and completed or provide us a Corrective Action Plan (CAP) with a projected date of completion and submission of documentation. The infographic below provides an overview of the Site Visit process.

Please let us know if you have any questions.  
Thank you!
