154. Regulation of "games" authorized. Notwithstanding the provisions of sections 3 or article 15 of the constitution of the state of Kansas, the legislature may authorize the leasing, conduct and regulation of charitable raffles by nonprofit religious, charitable, fraternal, educational and veterans organizations. A raffle means a game of chance in which each participant buys a ticket or tickets from a nonprofit organization with each ticket providing an equal chance to win a prize and the winner being determined by a random drawing. Such organizations shall not use an electronic gaming machine or vending machine to sell tickets or conduct raffles. No such nonprofit organization shall contract with a professional raffle or other lottery vendor to manage, operate or conduct any raffle. Raffles shall be licensed and regulated by the Kansas Department of Revenue, Office of Charitable Gaming or successor agency.
