MEET THE DIRECTOR

Hi! I'm Emily Tompkinson, the director of Harper county childcare. I grew up outside of Harper, moved away for college, and just recently moved back. I have always had a passion for early childhood, and received my bachelors degree in early childhood inclusive education. After college I taught PreK for 2 years, then special education preschool for one year before moving back to Harper. I'm so excited for this new adventure and hope to create a loving, safe environment for your kiddos!
